# WIN A 3D-PRINTER

Do you have an idea that could give someone with a disability more independence? Now is your chance to see it come to life. Create an original 3D Print Design that can be used to assist people with disabilities.

Go to [www.access3dservices.com/3d-design-contest.html](http://www.access3dservices.com/3d-design-contest.html) to enter your submission (.STL or .OBJ file format) along with a brief description of how your design relates to people with disabilities. Winners will be based on creativity, usefulness, originality, commercial viability, and marketability.

**Grand Prize - \$2800** value  
Makerbot Replicator+ 3D Printer  
Accessories  
eSun Filament Bundle

**Runner-Up \$500** value  
Airwolf 3D 3mm Filament Gift Set  
7Tech 3D Pen

See official rules for details.

PROUDLY SPONSORED BY

NO PURCHASE NECESSARY TO ENTER OR WIN. VOID WHERE PROHIBITED BY LAW. Visit <http://www.access3dservices.com/3d-design-contest.html> and follow the link to upload your new, original 3D-printable design for a physical item to assist persons with disabilities. Entry must be in .stl or .obj format, and include completed Official Entry Form which includes brief (300 word max) description of the item and its purpose, and contact information. Entrants must be (i) at least 18 and age of majority in jurisdiction of residence and (ii) a legal resident of 50 US/DC or a foreign national in US on valid student, travel or work visa. Employees/immediate family members of Sponsor or other entities involved in Contest not eligible. Eligibility subject to verification. Entry period: April 1, 2017 at 12:01 am ET – May 31, 2017 at 11:59 pm ET; late entries not accepted. Grand Prize: 1 Makerbot Replicator+ 3D Printer with accessories and \$200 in eSun 3D Filament, ARV \$2,800; Runner Up: 1 Airwolf3D Filament Gift Basket, 1 7Tech 3D Pen, ARV \$500. Winners will be chosen based on their design's creativity, usefulness, originality, commercial viability, marketability, and potential impact on the lives of persons with disabilities. Subject to all applicable federal, state and local laws; taxes responsibility of Winners. One prize per person. Entries will not be returned. Designs become property of Sponsor; all Entries will be considered for a potential profit-sharing commercialization of the product. Other restrictions apply, see <http://www.access3dservices.com/3d-design-contest.html> for full contest rules.
